2. "Emmanuel" is the Saviour's name -
Yes, "God with us": - a glorious theme!
Shout, shout the news abroad!
With speed the wondrous tidings tell,
How God descends on earth to dwell:
All hail, the babe, the God!
All hail, the babe, the God!

3. The air, by angel-voices rent,
Re-echoes forth the great event,
While earth and sky applaud:
His birth, proclaimed by the star,
Now leads the Magi from afar
To hail their infant God!
To hail their infant God!

4. Now more let man yield to despair,
Since Christ is come our ills to share!
Let those who oft have trod
Where cares abound, where sin and death
Have shed abroad their vilest breath,
Sing, "Hail! all hail! all hail!
All hail the Saviour God!"
