Editorial notes:

This anthem is edited from James Green's A Collection of Psalm Tunes (London 1718; British Library C 15 aa). The original clefs are alto, G and bass respectively. The G clef staff was probably intended for tenor voices, and represents the air. It is given here for soprano and/or tenor rendition.

The usage of accidentals as printed leads to some harmonies uncharacteristic of the general style of Green's work. Some emendations have been made, but further changes are possible, entailing the addition or omission of sharps.

Emendations:

Bar 10 alto note 2: f§ ; tenor note 2 d#

Bar 11 alto note 3: f§

Bars 13-15 bass; no text is underlaid.

Bar 39 soprano note 2: d#

Bar 48 soprano note 1: c"§ ; following note b#; the sharp sign must be misplaced.
